Dear Councillor Hubbard,

I am emailing you regarding the following applications in your Ward:

130882/L – Replace exterior signage at Lloyds TSB, High Town, Hereford. The consultation period expires on 16th May 2013. The application is for the same proposal as the recent application for Advertisement Consent (130255/A), which was granted. The building is Grade II listed and the site is within the Central Conservation Area and the Hereford Area of Archaeological Interest. No comments have been received to date, but there were no objections to the previous Advertisement Consent application. I consider that a delegated decision would be most appropriate and unless I hear from you by 1st May to the contrary I will assume that this is acceptable.

Please note that the submitted information, forms and plans can be viewed on the Council's website at <http://news.herefordshire.gov.uk/housing/planning/58286.aspx?ID=130882&NoSearch=True>

130724/A - Signage on existing fascia and 2 x projecting signs at Monsoon, 10-11, High Town, Hereford. The consultation period expires on 9th May 2013. The building is Grade II listed and the site is within the Central Conservation Area and the Hereford Area of Archaeological Interest. The proposals relate to the relocation of Accessorize to share the Monsoon premises. No objections have been received from the Traffic Manager and the CCTV Officer. Listed Building Consent is also required for the signage and the applicant's agent has been advised accordingly. I consider that a delegated decision would be most appropriate and unless I hear from you by 1st May to the contrary I will assume that this is acceptable.

Do contact me if you wish to discuss the matter further.

Kind regards
