Good morning Cllr Lloyd-Hayes,

Firstly may I congratulate you on being elected as councillor for Aylestone ward. On to the task in hand, I have been considering application 150894, an application for a 2-storey side extension at 19 Frederick Avenue. Having considered the proposal, subject to the submission of amended plans that reduce the projection of the two-storey element to continue along the existing building line (which has been agreed with the applicant), I am minded to approve the application should you agree to it being determined under delegated powers.

The current plans can be found here: <https://www.herefordshire.gov.uk/planning-and-building-control/development-control/planning-applications/details?id=150673&search=150673>

Typically I would request that you let me know at your convenience, but as this process was halted last week due to the election I shall require a response before the end of the week. Should I not receive a response by 12 noon Friday I shall proceed under delegated powers.

Kind regards

Steffan Thomas
