Comment:

I feel very strongly that it would be wrong to demolish the old school, it has been an integral part of the village of Garway since it was built, despite its decline over recent years. It is a striking and attractive building and I believe it's transformation into housing could be achieved without losing the overall appearance of the building.

Although not a resident of the village, I have been coming to Garway for the past ■ years, ■

■ and currently attend a weekly group in the village hall which overlooks the old school.

Please listen to the community when making your decision, these are the people who will be affected by it, it means a lot to many, several who remember attending the school or teaching there.

Thank you.
