The following is a comment on application **P232557/F** by **Malcolm Rochefort**

**Nature of feedback: Submitting a general comment**

---

**Comment:** Public right of way footpath SP3 runs adjacent to the development site and along or adjacent to the access track. Provided the footpath is not adversely affected or blocked during or following the construction work, and the track's junction with road C1055 does not impede sight of, or from, or access to the footpath, which has a separate access point, Herefordshire Ramblers Association has no objection to this proposal
