

Planning application comment was submitted on the **30 April 2024 07:41 AM**

The following is a comment on application **P240788/F** by **Jason Ford**

Nature of feedback: Support the application

Comment: I think this is a great idea iv fished up in Hereford a few times fishing is a release from every day life it's good for your mental health and with the new wooden pegs we can get more younger people into fishing and off the streets and it would be great for people with disabilities.whi can get the opportunity to catch fish that otherwise they wouldn't be able too.
