

All figure dimensions and levels must be checked on site. Do not scale dimensions or levels from this drawing for the purpose of setting out or ordering components. If in doubt check with the consultant. All scales are as indicated below.

All drainage used by more than one dwelling is now a public sewer, if not previously adopted, and any building over or within 3 metres may require a "building over agreement" with Welsh Water. It will be the responsibility of the client to enter into this agreement.
