**Subject:** Planning application comment was submitted

The following is a comment on application '**P192312/F**' by '**Tim Compton**'

**Nature of feedback:** Objecting to the application

**Comment:**

The houses look more like a town development than in a village of AONB.  
I am concerned about the run off & drainage which already causes flooding on Ross road.  
I am also concerned about the extra traffic from the new developments & the proposed new business in the old Church building.  
As we have Owls & hedgehogs in the paddock their habitat here will be lost.
