The following is a comment on application '**P172845/F**' by '**Richard Collins**'

Nature of feedback: Support the application

Comment:

I would like to support the application for the erection of the 2 poultry sheds situated at Stagbatch House Monkland Road Leominster.
Having known the Speakman family for a number of years I believe we should do everything that we can to support and encourage the next generation of farmers to enter the industry.

They are a genuine farming family trying to ensure their business is viable for future generations so should be supported.
