**Subject:** Re: Planning Consultation 223199

Hi Elsie

Peterchurch Parish Council considered Planning Re-Consultation 223199 when they met on the 12th December 2022. Councillors noted the applicant's decision to drop the holiday pods but considered that this did not materially change the substance of the proposals. For this reason, the Parish Council have asked me to reiterate their previous objections which they consider remain valid.

Regards

Mark
