

Planning application comment was submitted on the **06 December 2024 18:26 PM**

The following is a comment on application **P242609/F** by **James Milne**

Nature of feedback: Support the application

Comment: There is a general requirement for more properties in all parts of UK and Colwall/Herefordshire is no different. This application would locate these new properties very close to Walwyn Road, which will be beneficial to limit traffic on the smaller side roads as other parts of the parish with unbuilt land are linked by small narrow roads.

There is sensible density with some “affordable” housing provision, Donovan happy to support this application.
