<input type="checkbox"/>	Additional Info	<input type="checkbox"/>	Amended Plans

Please can you respond by **15/03/2023**. Any comments or queries should be directed to planning_enquiries@herefordshire.gov.uk.

Comments

I refer to the above application and would make the following comments in relation to contaminated land and human health issues only.

According to our records, the proposed development is within 250m of a closed landfill site. Given what's proposed, I'd recommend the following informative be appended to any approval.

Recommended note

1. *'The proposed development is within 250 metres of a closed landfill site. 'The Local Authority Guide to Ground Gas' published by the CIEH (Chartered Institute of Environmental Health) provides guidance on development near to landfill sites and suggests that should existing buildings on the site have gas protection measures, these should be included within the extension. Should the existing property not include protection measures, consideration should be given to their installation as a precautionary measure.'*

Signed: N James
