Subject: Planning application comment was submitted for P194418/F

The following is a comment on application '**P194418/F**' by '**Susan Westerman**'

Nature of feedback: Objecting to the application

Comment:

I object to the application because of the following... Noise & light pollution...increased traffic on a narrow Bleathwood lane , increased party noise...no benefit to the community as short term visits for parties & events
Not part of local plan, a nightmare coming to a rural community
