

Planning application comment was submitted on the **20 August 2024 08:51 AM**

The following is a comment on application **P231202/F** by **Douglas SKEGGS**

Nature of feedback: Submitting a general comment

Comment: The revised project appears much improved. However would make the following safety comments.

1/ I am surprised that on safety grounds there is no provision for a pedestrian crossing with stop lights as in recent Lea project, By the nature of the development there will be more young children wanting to access the school and playground as well as other residents wanting access to bus stops and access to events at the village hall. These seems to be a serious safety issue here which has been overlooked.

2/The roundabout on the A40 should definitely not just be painted on the ground - it needs to be raised as on the Ross Ring Road/St Marys Village, Its one of the only straights between Ross and Gloucester where drivers can speed and overtake. Most road users drive straight over these , as they do at the painted road roundabout adjacent to the Weston Cross Inn.

Infrastructure from section 106 to consider: As in points 1 and 2 above,

1/ a pedestrian crossing with stop lights as in recent Lea project, By the nature of the development there will be more young children wanting to access the school and playground as well as other residents wanting access to bus stops and access to events at the village hall. These seems to be a serious safety issue here which has been overlooked.

2/The roundabout on the A40 should definitely not just be painted on the ground - it needs to be raised as on the Ross Ring Road/St Marys Village, Its one of the only straights between Ross and Gloucester where drivers can speed and overtake. Most road users drive straight over these , as they do at the painted road roundabout adjacent to the Weston Cross Inn.
