The following is a comment on application **P214539/F** by **Stephen Davies**

**Nature of feedback: Objecting to the application**

---

**Comment:** 1.insufficient road structure and acceptable passing places within this area.  
2.New builds out of character in this area  
3.Bad effect on local wildlife and fauna in a period where we must protect our planet  
4.The building quota in this area has already been exceeded.

---

**Infrastructure from section 106 to consider:** Renewal of all roads and construction of additional passing places together with repair to existing passing places would need to be undertaken.A weight and size limit to be applied to such roads.  
Ensure the properties are built in a style in keeping with a Herefordshire village.
