

Planning application comment was submitted on the **28 December 2023 15:12 PM**

The following is a comment on application **P233442/F** by **Vincent Bowles**

Nature of feedback: Objecting to the application

Comment: I object to this development due to it's impact on the wildlife, the undermining of river bank on each side due to interference with flood water by the huge concrete slab, slip hazard when covered in sludge after flooding, meeting up area for antisocial behaviour and huge scab on the river bank.
