The following is a comment on application 'P194402/O' by 'Glenn Haughton'

**Nature of feedback:** Objecting to the application

**Comment:**

As a business owner with a business on the Rotherwas and living in Holme Lacy, this proposal is simply unthinkable and unviable until we have a full relief road round Hereford, with another bridge across the river.

The congestion through Hereford is appalling and Holme Lacy has become a rat run for people getting to the other side of the city.

What is it going to take to get the council to listen to the will of the people?
