Subject: Planning application comment was submitted

The following is a comment on application 'P191313/O' by 'Pat Stubbs'

Nature of feedback: Objecting to the application

Comment:

I object to this application for three more houses.
I agree and support all of the reasons given in Mr. Borthwick's letter of objection.
The area is not part of Munstone, It is on a site that has already been refused planning for one house. Nothing has changed except now it is three houses. The site is in the countryside and is not sustainable. The parish has already exceeded its allocation for new housing.

I support the parish neighborhood plan which seeks to protect our rural feel for the parish. We do not want further destruction of our countryside.

This application should be rejected.
