INTRODUCTION

1. Project.

Basically my clients wish to carry out internal works of sub division within an existing building to convert it into a Fitness Centre / Dance Studio.

The existing use is "Sui Generis ".

The last known use was for an Auction Centre.

This application is for change of use to D.2 Leisure and Assembly.

There will be no changes to any of the elevations

There is parking available for the building which will be un changed.

There will be no changes to any of the boundaries.

7. Drawings
