Dear Mr Cameron

If you want to deviate from the approved plans you have two options –

1. Submit a new householder application for the design and location of the garage outbuilding you want to build
2. Submit a Variation of condition application against the condition regarding approved plans and any other relevant conditions of planning permission reference 183515

Applications can be made online following the link here

Subject: Treverven Barn Panning Application (Garage)

Dear Mr Brace,

Herefordshire Council offices kindly passed me your details as you would be best placed to offer advice and assistance regarding my enquiry.

I have recently moved into Treverven Barn, Llangarron, HR9 6NH.

The previous owner had an application in which was approved for a holiday let as well as a garage / car port. My enquiry concerns the garage / car port.

The planning reference number is: **P183515/F**.

My enquiry is regarding:

- The plans show it as a garage / carport but can it be a 3 Bay wooden garage (e.g. with up and over doors)?
- The positioning of the garage - could be swung round by 90 degrees as shown in the diagrams below to allow easier access for parking straight off the drive.

Any assistance will be greatly appreciated.

Many thanks.

Mick Cameron
