Dear Roland

**FULL PLANNING APPLICATION FOR THE ERECTION OF A CLASS A1 FOODSTORE AND
EXTENSION OF THE EXISTING GALEBREAKER GROUP FACTORY AT NEW MILLS INDUSTRIAL
ESTATE, LEDBURY**

In response to comments received from Herefordshire Council's Land Drainage advisor regarding flood risk and drainage at the above site, dated 21 April 2016, please find enclosed a Compact Disk containing the following documents:

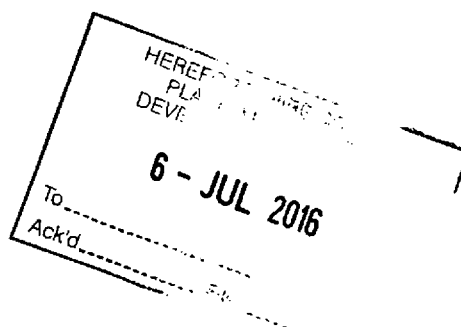

- updated Flood Risk Assessment;
- drainage layout for the proposed Galebreaker extension; and
- drainage layout for the application site as a whole (ALDI and Galebreaker).

I trust that this is sufficient to satisfy the comments received. Should you have any queries, please do not hesitate to contact me.

Yours sincerely
