Subject: Merton Works

Alex,

I passed the site this morning and noticed that works have started on foundations with concrete very recently poured.

This goes beyond the agreed demolition of the building to facilitate the completion of ground investigations. I would be very grateful if you could give me an update in respect of the further works carried out by EMS Ltd and when we might receive the findings/mitigation proposals.

I am copying in Nick James in the event that he may already have had further contact. I am also letting Mark Lane, our Enforcement Officer know the current position in view of the current breach of condition.

I look forward to hearing from you as soon as possible.

Yours sincerely

Simon Withers
