Dear Sirs,

I wish to object to planning **P241536/F** at 68 Penn Grove Road as this new house would be out of place in this area of the road with its more period architectural design. Planning has previously been refused on the site of no 68 as it would not be sympathetic to its neighboring houses and therefore, I believe the same grounds apply. Such a new house would look odd from the roadside butted up against such old period properties.

Regards

Francis Jennings (45 penn grove road HR1 1BT)
