Nature of feedback: support_the_application

Comment:

Bartestree with Lugwardine Group Parish Council considered this application at their Planning Committee meeting 26/09/22 and resolved to support the application. However, consideration should be given to incorporating additional sound insulation into the proposed design.

It was noted that the application is in accordance with Bartestree with Lugwardine Neighbourhood Development Plan (2016) core objective 8 and policy BL6.
