cdm 2015: designers residual risk information

In addition to the risks & hazards normally associated with the type of work detailed on this drawing the following residual risks should be noted:

Construction:

1. the proximity of adjacent pavements, estate roads & car parks.
2. the proximity of adjacent buildings and buried associated services.

Maintenance:

1. the proximity of adjacent pavements, estate roads & car parks.
2. the proximity of adjacent buildings and buried associated services.

It is assumed that works will be carried out by competent contractor working, where appropriate to an approved method statement.
