**Subject:** Planning Application 132004/0 Land at Castle End, Lea, Ross-on-Wye

Dear Ms. Jenman,

Re: the above application, I would like to make the following objection.

The Parish Councillors of Lea Parish Council have looked at the amendments made to the application and unanimously agree that the amendments do nothing to address the principal concerns about these proposals. The Council reiterates its objections in the strongest terms.

Regards

Councillor Paul Fountain

On behalf of Lea Parish Council
