The following is a comment on application **P240422/F** by **Alan Picton**

Nature of feedback: Objecting to the application

Comment: I wish to object to this application along the same grounds as amply elucidated by Herefordshire Wildlife Trust.

To develop this site as is outlined in the planning application, in such close proximity to the Lugg Meadow Nature Reserve and the Lugg and Hampton Meadow SSSI, with all its attendant pressures, when the public, particularly in Herefordshire, are beginning to value such natural resources which are becoming increasingly threatened locally and nationally, seems to me to be short sighted and undesirable in the extreme.
