Details of the pre-application advice received

Overall based upon the plans and details submitted the principle of the proposed extension to the timber deck and the swimming pool works are acceptable in principle when considered against relevant planning policies.
I would advise that any full submission should take into account the detailed comments from the Tree Officer, any application should be supported with the sufficient evidence to address issues raised.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
