Dear Tracy,

I attach a copy-extract from a scan of the Definitive map for Gloucestershire and copy-extract from the Definitive Statement, showing Footpath GNE/38 (Newent Parish) which is now known as GGK/7 (Gorsley Parish). The Relevant Date for the Definitive Map is 1st November 1952. The Statement isn't easy to read - you'll need to enlarge the typeface and then scroll down the list to find path number 38.

I'm assuming GNE/38 was renumbered as GGK/7 under a parish boundary change at some point, but I don't have any more details to hand at the moment. I have asked our Definitive Map Team to send me further details, [REDACTED] I've also asked them to send details directly to you confirming the reason and date for the path number change.

I hope this is helpful,

Kind regards,

Suzanne
