Comment Type Objection

Comment The ROyal George provides a vital focal point for the village of Lyonshall highlighted recently through the jubilee celebrations. Plans afoot to buy the pub as a community venture will be severely affected by this development and make the running of the public house difficult and restrictive during a development of this type. The pub has great historical value and a development here will make it unsustainable going forward along with the lack of parking spaces and access issues. The application is clearly an attempt to provide the pub in the light of a residential development instead of a public house and this would be a great loss for the community.
