Good morning David

Application number 211871

[REDACTED] I applied for discharge of conditions for : Planning permission, Application No. 202443

[REDACTED]

[REDACTED]

The application number is 211871. I have now added the last conditions...A place to park bikes and also show that we have plenty of parking in our yard.

We can comfortably park 7 cars in the yard and we are a family of 4 cars so plenty of room for holiday guests.

I have attached a file with photos.

Lots for the wildlife...bats, hedgehogs, birds and the wildflower seeds that have been planted around the holiday let.

One photo of a shed with room for parking bikes. The shed has a lock with a pin for the guests to use.

One photo of our yard for parking, showing there is plenty of room. I have not painted out parking bays as it is gravel.

Hope this is all that's needed. Please email if you have any questions or problems viewing the photos.

Kind Regards

Anni James
