The following is a comment on application 'P180193/F' by 'Graeme Bell'

Nature of feedback: Support the application

Comment:

This proposed development will be an asset to the area. Mr & Mrs Morgan have a track record of providing high-quality B&B accommodation which is environmentally sensitive and sustainable, and supports local business. The proposed development will enhance the local tourism and hospitality sectors, and will provide even more opportunities for quality local produce suppliers. This is exactly the kind of development we need more of in the area, and I wholeheartedly support it.
