My property lies at the corner of Stone Drive and Old Church Road (OCR) and is adjacent to OCR for 50 metres up to the proposed estate entrance.  
I observe the road to be narrow not allowing even two cars to pass one another at normal speed.  
An increase in traffic, particularly during construction (lorries) will exacerbate the problem of traffic flow.  
Secondly, pedestrians are forced to walk on this narrow road, there being no room for a footpath.  
This is a real safety problem and will become worse with the increase in traffic.  
I believe the proposed estate entrance on OCR is flawed and an alternative be looked for.

In general I am against the placement of the estate in a Conservation Area and A.O.N.B., believing it will have a very negative affect on the view from the Malvern Hills.

Thank you.

K.J.Harrison
