**Location**

The location of the application site is within the open countryside at Eastwood, nr. Tarrington. This semi-detached property is accessed via a drive off the southern side of the main highway.

**Proposal**

The proposal is to erect wooden gates and post within the grounds.

**Highways**

The existing access to the highway and parking provision will be retained.

**Historical Statement.**

The property is a grade 2 listed property of the 17<sup>th</sup> & 18<sup>th</sup> having previously been part of its attached neighbouring property "Oak house".

The new gates will be within the curtilage of "The Cider House", forward of the main house and at the boundary with its neighbour. The current access is to be retained and following the successful planning consent for a new separate access to "Oak House" this access will be solely for "The Cider House"

**Design**

The materials chosen are traditional timber boarded doors and square gate posts. The materials are chosen to reflect the original structure. The doors will be supplied by Wortley Brothers (Nottingham) with 100 x 70 frames with 16mm thick boarding constructed using premium grade redwood.
