Planning no. 232807

Dear Sir,

I am writing to object to the planning of houses and communal house in Tump Lane, that will bring a lot more traffic to the lane where its already very busy. I dont see why people already on the estate thats there should lose garages for a new lot to park they should park on there own patch within the field or are the pushing to many houses on it

As for the lane, I think it will be more dangerous by putting in passing places the amount of farm traffic we get every day tractors trailers

(combines when harvesting)

PTO

let alone school traffic going
up and down 4 times a day
there and back

those are my reasons for
objecting

Yours sincerely

E. Jones.
