The following is a comment on application **P221468/FH** by 'Malvern Hills AONB Unit Humphries'

**Nature of feedback:** submitting\_a\_general\_comment

**Comment:**

This application lies within the boundaries of the Malvern Hills Area of Outstanding Natural Beauty (AONB), an area designated for its national landscape importance. The Malvern Hills AONB Unit seeks to encourage high quality developments and to protect and enhance the local landscape.

We previously objected to a previous application for an extension to the rear (P212267/FH) on the grounds of its size and large areas of glazing. We note that the planning officer took these comments into consideration and would hope that conditions suggested in the officers report can be applied to this latest application.
