Hi Matt

Sorry for the delayed reply, but I've wanted to check this with the client. Sorry for any ambiguity in the submission. The client informs me that the building in question will be used to house the horses, feed bins and shavings for the stables and for general storage purposes ancillary to the enjoyment of the property.

I hope this provides some clarity.

Barrie

Dear Barrie,

With regards the application at Coed Lank Farm, can you please confirm the proposed use of the 'agricultural building'. The description lists the building as an agricultural building, plans indicate the building would be stables and the elevations refer to the building as a workshop and feed store. Please could you confirm the exact use of the building.

Thanks for the plans on the other at Longtown.

Kind regards,

Matt Tompkins
