Dear Josh,

Thanks for the email. The applicant's land is equally as well described on the application form and in the amended address suggested. The land is not in the same ownership as either of the landmarks referenced.

To avoid any potential confusion, the applicant is content for the site to be described as 'Agricultural Building to the east of Woodend Lane, Stanford Bishop, WR6 5UB'.

Kind regards,

Matt Tompkins

Good Morning Matt,

I've received a number of emails over the weekend regarding the address being not representative of the site in relation to 191130.

Are you therefore content for me to amend the site address to the following:

"Agricultural Building on Land North West of Malvern View Country Park, Stanford Bishop, Herefordshire, WR6 5UB"

Your confirmation of this at your earliest convenience would be appreciated greatly.

Kind Regards,
Josh
