Thurs 1st June ..

7.30 - Travelled to Sneyath, roughly 12 miles to collect side-on lawnmower for repair.

= Had to collect early to arrive back to Workshop for opening

2.00pm Call out to gardening Contractor - western under penyard Had to repair side-on mower

= Had to telephone wife to come and look after Workshop - She has to bring our young son with her. Waited 25 mins for wife to arrive - travelled to western under penyard, did repair took 1hr and then I had to travel back to work to let wife take son home for tea.

7.30pm Had to travel back to Workshop after closing customers who work 9-5pm 6 days a week were maintaining their garden. Brushcutters wouldn't work they telephoned to see if they could borrow a machine to finish what they were doing

Total time taken including travelling 1.45 mins

Monday 3rd November 2008

Travelled to workshop to open. Call out to Monmouth to repair a mower which I had to do under warranty for Husqvarna. I had to telephone Emma to come and look after workshop whilst I was away.

Call out to Walford, Ross on Wye to repair a mower under warranty as instructed by Husqvarna. Had to get my father to look after workshop whilst I was away as Emma had to take our daughter home for her lunch.

Whilst my father was looking after the workshop I managed to take a lawn mower back to Howle Hill, Ross On Wye as I quickly rang the customer to check it was convenient.

Wednesday 5th November 2008

Travelled to Hereford to collect a machine for repair prior to opening the workshop for 8.30am

Call out to Brockhampton to do a quick repair so that the customer could continue to mow their lawn. Had to ask Emma to come and look after the workshop so that I could do this.

Thursday 6th November 2008

Had to ask my father to come and look after the workshop so that I could return a lawnmower as this was the only available time to the client

Saturday 7th November 2008

Delivery of ride on mower which I had to do out of hours.

**MILEAGE FOR THE WEEK = 140 - TRAVELLING TO AND FROM
WORKSHOP FROM ST WEONARDS AND 7
CALLOUTS/DELIVERY/COLLECTION
CUSTOMERS FOR THE WEEK = 23 BUSINESS AND 14 PRIVATE**

Monday 10th November 2008

Before opening workshop I had to go to Monmouth to collect a machine for repair.

Collect a ride on to Llangrove as the gardener was at the clients address to help move the machine which had broken down in the middle of their paddock. Emma came and looked after the workshop.

Wednesday 12th November 2008

Travelled to St Maughans, Monmouth to collect a machine prior to opening the workshop.

S E / 0 9 2 7 8 7 / 0

Thursday 13th November 2008
