

Planning application comment was submitted on the **02 December 2024 15:57 PM**

The following is a comment on application **P242559/F** by **Malcolm Rochefort**

Nature of feedback: Submitting a general comment

Comment: The site is adjacent to footpath SO17A and Bridleway SO17. Although it appears from the site plan that proposed access to the site is on another track, I would be concerned that increased traffic to the factory may affect the road surface and progress along either SO17A or SO17. Provided this does not occur either during construction work or use phase of the new building, and any damage is temporary and quickly repaired, Herefordshire Ramblers Association has no objection to this proposal.
