**Comment:** I support the building of a new primary school in Peterchurch but I strongly feel we need a zebra crossing to be installed outside the school before building work commences. There is nowhere for children, elderly or disabled to cross safely and the inevitable additional traffic that the building work will bring puts the children and wider community at greater risk. It is logical to place the crossing outside the school so that it benefits the school and villagers crossing to use the doctor's surgery, shop, village hall and church.
