The following is a comment on application **P243011/F** by **Steve Ashley**

Nature of feedback: Objecting to the application

Comment: The local community want/need this valuable local amenity, it is an important and well supported venue for locals. Most pubs close because of falling trade, however this pub closed whilst extremely busy and profitable, [REDACTED] A recent flood saw the water level half way up the bar in the lounge, see photograph of lounge (2020), not ideal for a residential dwelling.
