

Planning application comment was submitted on the **12 April 2024 14:06 PM**

The following is a comment on application **P240422/F** by **Susan Sharples**

Nature of feedback: Objecting to the application

Comment: I object to this application. It would cause loss of rare habitat hard by area of SSSI. It is mainly on a flood plain. It is likely to increase flooding and cause pollution further down the Lugg.
