Nature of feedback: Objecting to the application

Comment: I would like to object to this planning application. My grounds for objection are

The proposal

- i) It would negatively affect my enjoyment of the countryside in particular on the bridleway that adjoins the proposed site.
- ii) It would be visually obtrusive consisting of high shipping containers and a high communications mast.
- iii) It would damage the local ecology.

My particular interest in this proposal is that I own property nearby, [REDACTED]
