Dear Adam

That is indeed good news for our client.

We can confirm that we are happy to agree with the extension of time until 21st November.

Kind regards

Lorraine

Good Afternoon Colin,

I have just picked up your message regarding the above. Please accept my apologies for the delay in making a determination of the application.

To update you, I am currently writing up the application with a recommendation of approval. All being well on the admin side of things you should hopefully therefore have a decision by early next week.

With that in mind, I would be grateful if we could agree an extension of time until Tuesday (21st) so that we have a set date to work to?

Best regards,

Adam Lewis
