

Planning application comment was submitted on the **16 January 2024 17:13 PM**

The following is a comment on application **P233312/F** by **Joe James**

Nature of feedback: Support the application

Comment: I often use the road for work. It would be nice to see a stopping point to grab a bite to eat or drink. If the food is anything like it is on match days, it will be good. Looking forward to it.
