Dear Mr Neill

Mr & Mrs Alan Grantham, Quarry Farm, The Downs, Bromyard, HR7 4QW

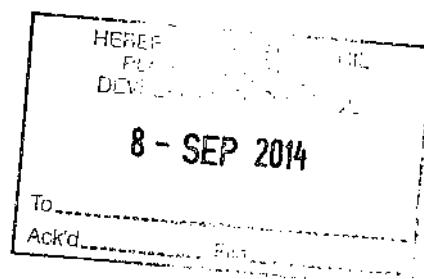

I enclose correspondence I received from my constituents, Mr and Mrs Grantham, regarding their concerns about two planning applications.

I would appreciate it if you could ensure my constituent's comments are taken into account before any decisions are made.

Yours sincerely

Bill Wiggin MP

Dear Mr. Wiggan,

We are writing about two items, firstly to voice our objection to the siting of wind turbines at Pencombe and Acton. It is our view that as well as being a complete eyesore and totally out of place in this lovely area they are nontourist friendly, inefficient in that during cold anticyclonic weather they do not operate at all whilst in very windy weather they have to be turned off. The only beneficiaries are the people on whose land they are sited, at considerable subsidised expense of everyone else.

Secondly, if there is petition against halal slaughter we would like our names added to it. It is a totally barbaric method of killing livestock and we were horrified

to discover it was so prevalent and
widespread, even in Herefordshire we believe.
We have reduced our meat consumption
considerably as a result.

Yours faithfully

Alan & Kay Grantham.
