Hello Charlotte

The parish council comments were:

" The parish council object to this application as size and scale are too dominant (as one previous application which was objected to). Please could Herefordshire Council review the history of this site. Also the plans were unclear and difficult to view online"

For your information I am no longer clerk to Woolhope PC but don't think they have appointed a new clerk to date so I haven't done a handover of paperwork and email yet

Kind Regards
Janet Chester
(Clerk to Woolhope Parish Council)

Dear Janet,

You may recall that I consulted the Parish Council on the above planning application and we agreed an extension in time for the Parish Council to comment, from 1st to 18th February 2015. I have been in sick leave, but on my return I do not appear to have received the comments. Please could you let me know if the Parish Council have any comments?

Kind regards,
Charlotte Atkins, Acting Principal Planning Officer
