Date: 24/07/2015
Our Ref: PLA0011590
Your Ref: 150989/O

Dear Sir,

Grid Ref: SO5268547626

Site: Land adjacent to New House Farm and Marden Primary School, Marden, Herefordshire

Development: Proposed residential development of 90 dwellings with provision of a site for a community building and associated open public space

Further to recent conversations with the applicant they have requested I write confirming our position in some detail.

We have undertaken the feasibility study on the Waste Water Treatment works (WwTW), which has indicated no investment is required at the WwTW, and no detriment will be caused by the site connecting to the public sewerage system. We can therefore remove the WwTW objection based on this information.

However we are currently working to establish a solution to supply potable water to the site. While we are finalising these matters we request you **hold** the application until such time a suitable solution is identified.

We will keep you updated of progress, however if you have any queries please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com

Please quote our reference number in all communications and correspondence.

Yours faithfully,

Sonny Robinson
Development Control Officer
Developer Services

Welsh Water is owned by Glas Cymru – a ‘not-for-profit’ company.
Mae Dŵr Cymru yn eiddo i Glas Cymru – cwmni ‘nid-er-elw’.
