Simon,

With regards to the bat & bird boxes, the client proposes to source these from the RSPB. To this end, please see below links to the “RSPB Shop” for both types:

Bird boxes:

[Bird Houses & Nesting Boxes for Wild Birds - RSPB Shop](#)

Bat boxes:

[Search Result for 'bat boxes' \(rspb.org.uk\)](#)

Is this information sufficient to satisfy your requirements?

The comments regarding the boxes being more widely spaced are also noted.

Regards,

Matt Hobby
