Subject: 222769 - Planning application comment was submitted

The following is a comment on application **P222769/F** by '**Susan Leyshon-James**'

Nature of feedback: objecting_to_the_application

Comment:

I wish to object to this planning application. The developers have submitted an application which would have a severe impact on all those adjacent properties. The loss of agricultural land, highway and flooding problems are all important issues which will have a direct impact on residents.
